Request to a Parent/Guardian/Student for a Release Form

Dear Parent/Guardian:

I am a Michael Chekhov Certified Teaching Candidate, participating in the teaching of Mechanicsville High School Theatre students to fulfill a program requirement for my teacher certification requirement. The Micheal Chekhov Workshop is a teacher performance assessment for teacher candidates, created by the National Michael Chekhov Association. My teaching certification materials will be submitted to and scored by educators in a secure system operated by the NMCA.

The performance assessment documents a series of lessons I teach in your child's classroom and includes short video recordings and interviews with the students to show the understanding and growth of my teaching. Although the video recordings involve both the teacher and various students; the primary focus is on my instruction, not on the students in the class. In the course of recording my teaching, your child may appear on the video. Also, I will collect samples of student work as evidence of my teaching practice, and that work may include some of your child's work.

No student's name will appear on any materials that are submitted. Video recordings will not be made public, unless given permission. Materials I submit will be reviewed by my program at NMCA. My assessment materials may also be used by the NMCA under secure conditions for the teacher candidate program development and implementation, and to support continued program improvement activities such as future validity and reliability studies. The form attached will be used to document your permission for these activities.

Sincerely,

Elisabeth Mariah Batten
